WELCOME TO NSC2025!

You are cordially welcomed to participate in the 23rd Nordic Congress on Cerebrovascular Diseases in Tartu, Estonia from September 15-17, 2025.

The congress will be organised by the Nordic Stroke Society and Estonian L. Puusepp Society of Neurologists and Neurosurgeons.

The congress will take place in the Estonian National Museum in Tartu, Estonia (www.erm.ee) - a modern spacious versatile building where history, art and science meet.

We hope that the memories from past well organised congresses encourage you to come to Tartu and continue the valuable tradition of high-level congress joining Baltic and Nordic scientists in the field of stroke. Parallel symposia, poster session, social events and tourism programme will add to the experience of the conference.

The industry exhibition will be open at the venue throughout the Conference.

We welcome you to enjoy the colourful fall in Tartu!
